

O Rumor do Fumo – Residency Programme 2022  
Residency: 8 August - 2 September 2022

## *Raw eggs* by Artemis Chrysostomidou

*RAW EGGS* is a new dramaturgy about the oppression and defense of freedom, starting from the institution of the family, proposing how we might liberate pleasure from a familiar insanity. Based on the true stories of the group hilariously narrated, tracing the poetry of bravery in the mythology of reality.
